INT. MIDDLE SCHOOL HALLWAY - DAY

KENNY walks by a glass window and checks out his pecs in the reflection. They look bigger than normal.

KENNY  
Lookin' good!

Kenny winks at himself, then stumbles into APRIL.

APRIL  
Kenny! Can you come in on Saturday  
and help with the school play?  
We're doing Romeo & Juliet...

KENNY  
If I wanted to watch bad acting in  
a language I don't understand, I'd  
watch the Spanish channel.

APRIL  
I just need help building the set.  
The shop teacher lost a finger and  
can't finish.

KENNY  
What about your boyfriend? Is he  
too girly for construction?

APRIL  
Cutler is in Vegas for a triathlon.

KENNY  
So the lonely housewife is looking  
for some action while her boyfriend  
is out of town.

APRIL  
It opens in a few days and we're a  
little behind.

KENNY  
Yeah, sure. Maybe I'll get a  
little behind.

APRIL  
See you at 10 AM...

April walks away. Kenny's phone rings and he answers it.

KENNY  
(into phone)  
The hell do you want?

INTERCUT WITH:

INT. STEVIE'S HOUSE - DAY

STEVIE sits at his computer.

STEVIE  
Guess who got you an interview with  
Sports Illustrated next week?

KENNY  
Are you fuckin' shittin' me?

STEVIE  
They want to do a cover story on  
your comeback.

KENNY  
This could help me get back in the  
majors!

STEVIE  
Why don't you swing by my place  
later to celebrate?

KENNY  
Fuck yeah! I'm treating your ass  
to the titty bar -first lap dance  
is on me!

DISSOLVE TO:

INT. STEVIE'S HOUSE - NIGHT

Kenny barges in without knocking and catches Stevie looking  
at a pair of breasts on the computer monitor.

KENNY  
Looks like I caught you at the  
wrong time!

STEVIE  
You scared the shit out of me!

Kenny takes a closer look at breasts on the monitor.

KENNY

That's the nastiest pair of tits  
I've ever seen! What's this?  
BreastFedTooMuch.com?

STEVIE

It's not porn -it's a picture of  
you!

Stevie zooms out to reveal a topless photo of Kenny flexing  
his muscles -he's clearly grown breasts.

STEVIE (CONT'D)

See?

KENNY

Are you whackin' off to me?

STEVIE

I was photoshopping your... pecs...  
to make them look smaller. Sports  
Illustrated wanted some pics of you  
flexing.

KENNY

Why'd you pick such a shitty photo?

STEVIE

They're all like that.

Stevie opens a bunch of photos of Kenny in various masculine  
poses. He has breasts in all of them.

KENNY

You just don't know how to take a  
fuckin' picture. We're taking new  
ones -NOW!

Kenny takes off his shirt -his breasts are as clear as day.

KENNY (CONT'D)

What the fuck?!!!

FADE OUT.

END OF COLD OPEN

ACT I

INT. DOCTOR'S OFFICE - DAY

Kenny sits on the examination table with his shirt off. DR. CHOPRA measures his breasts with a caliper.

DR. CHOPRA

It's called gynecomastia. It's from steroids.

KENNY

But steroids help you grow muscles - not tits.

DR. CHOPRA

Your body is producing more estrogen as a side effect -hence the breasts.

KENNY

Now what the fuck am I gonna do?

Dr. Chopra writes Kenny a prescription and hands it to him.

DR. CHOPRA

Take one of these a day, and your breasts should clear up in no time. You're going to feel some side effects -mood swings, lack of sex drive...

A hot NURSE walks in. Kenny checks her out -and doesn't try to hide it.

KENNY

You know you're talking to Kenny Fucking Powers, right? I wrote the book on sex drive.

The nurse bends over to pick up some specimen bottles from a drawer. Kenny ogles her ass.

DR. CHOPRA

If you don't stop using steroids, your testicles WILL shrink.

KENNY

I'd still have the biggest balls in town! Maybe I should make a sperm donation while I'm here.

The nurse walks past Kenny with the specimen bottles.

KENNY (CONT'D)  
(to Nurse)  
Care to help me with that, dear?

DISSOLVE TO:

INT. DUSTIN'S KITCHEN - DAY

Kenny eats at the table with DUSTIN and CASSIE. BABY ROSE sits in her high chair.

DUSTIN  
I was hoping you could help me lay some grout today.

KENNY  
Can't -I've got plans.

DUSTIN  
So now that you're gonna be on the cover of Sports Illustrated, you're too good to help us regular folks?

KENNY  
I just promised April I'd help with the school's production of Romeo & Juliet.

DUSTIN  
Bullshit. I don't see you as the Shakespeare type.

KENNY  
I've always been a big supporter of the arts -always have, always will.

CASSIE  
I love Shakespeare! Maybe some culture will do you good!

DUSTIN  
I just wish you'd do more to help out around here.

KENNY  
I do tons of shit to help out!

DUSTIN  
Like what?

KENNY  
Like... uh...

Baby rose starts to cry. Kenny picks her up and pats her on the back.

KENNY (CONT'D)

I help out with the kids all the time! See?

(to Baby Rose)

There, there, sweetie.

(to Dustin)

I do all kinds of shit that y'all don't even know about.

Baby Rose stops crying.

KENNY (CONT'D)

See? I'm a natural!

Baby Rose starts sucking on Kenny's nipple through his shirt. Dustin and Cassie start laughing hysterically.

CASSIE

I'd say!

KENNY

What the FUCK!

CASSIE

She must be hungry!

Kenny struggles to get the infant away from his chest -but she's got a good grip.

KENNY

It hurts!

DUSTIN

Who would have thought -Kenny Powers as a nursing mother?

Kenny finally gets the baby off him and puts her in her chair. Dustin and Cassie start laughing even harder.

KENNY

So you think it's funny that your infant daughter is sexually attracted to me?

DUSTIN

Now you've gone too far.

CASSIE

She just wants milk.

Cassie takes the bottle over to Baby Rose. Kenny rubs his nipple through his shirt.

KENNY

Her teeth are sharp as fuck! Isn't she too old for that shit?

CASSIE

(still laughing)  
I think you'd make a great mother!

KENNY

Cassie, SHUT YOUR GOD DAMN MOUTH!

The room goes silent. Baby Rose starts crying again.

DUSTIN

Easy!

KENNY

I'm not a fucking woman!

CASSIE

I didn't mean it like that...

Cassie picks up Baby Rose and exits.

DUSTIN

What's gotten into you? You're being way too sensitive!

KENNY

I'm not FUCKING sensitive! I'm a god damn man!

DUSTIN

Maybe you should start acting like one.

KENNY

I AM acting like one!

DUSTIN

No, you're not. You're acting like you have PMS or something.

CUT TO:

INT. BATHROOM - DAY

Kenny stares at his naked breasts in the mirror with tears in his eyes. He pulls out his prescription bottle and reads the label: "Take one per day as directed."

KENNY

One? Fuck that.

Kenny pours three pills into his hand and swallows them.

DISSOLVE TO:

INT. AUDITORIUM - DAY

Kenny helps April build the set.

APRIL

I don't know how I'd pull this off  
without you.

KENNY

My pleasure.

Kenny moves a heavy plank of wood, showing off his muscles.  
April checks him out.

APRIL

I'm really happy for you about the  
Sports Illustrated article. Before  
much longer, you'll be whisked away  
from us.

KENNY

Enjoy it while it lasts!

APRIL

I'll kind of miss you, in a weird  
way.

Kenny is dripping with sweat -his shirt is soaked.

KENNY

Is it hot in here? I'm sweating my  
balls off.

APRIL

I'm actually a little chilly.

KENNY

I just got this weird heat flash...

APRIL

(flirty)  
You can take your shirt off if you  
want.

Kenny starts to remove his shirt, then remembers his breasts  
and stops.

KENNY

That wouldn't be appropriate in a school setting.

APRIL

I think you get a free pass if you're doing construction. Look at you -you're soaked!

KENNY

Let's just turn on the A/C.

April tugs at his shirt.

APRIL

You act like I've never seen you with your shirt off before.

KENNY

What if someone walks in?

APRIL

It's Saturday -the school is empty.

She tugs at his shirt again. He brushes her hand away.

APRIL (CONT'D)

What's the matter? Are you afraid to show off those big, strong muscles?

KENNY

I just want to keep it on...

APRIL

C'mon, don't be such a woman!

April tugs at his shirt a little harder. Kenny darts across the room to get away from her.

KENNY

Dammit April! NO MEANS NO!

Kenny punches a hole in the set.

APRIL

Okay, relax!

Off Kenny's frustrated red face, we:

FADE OUT.

END OF ACT ONE

ACT TWO

INT. SHA-BOOM'S BAR - NIGHT

Kenny sits at the bar. CLEGG pours him a beer and a shot.

KENNY

Maybe it wasn't meant to be. She's got her boyfriend, and I'll be back in the majors soon. Let's just hope I get rid of these in time.

(he squeezes his breasts)

They're throwing off my center of gravity -messing up my pitch.

CLEGG

I can't even tell. Sure you didn't just gain a few pounds?

KENNY

Can't you just be supportive?

CLEGG

I dunno what to say. Bitch tits aren't exactly a common problem.

KENNY

They're NOT bitch tits! It's called Gynecama -whatever the fuck!

CLEGG

Geez, relax, I'm sorry!

Kenny downs a shot. TRACY walks in, drunk and wearing a slutty outfit.

CLEGG (CONT'D)

You know what'll make you feel better? A blowjob.

KENNY

Did you just ask me to suck your dick? Just because I have tits doesn't make me your bitch!

CLEGG

Not me, dumbass!

Clegg nods towards Tracy. She walks backwards as she yells out the door.

TRACY  
 (laughing, yelling O.S.)  
 Hurry up, slowpoke! Before I trip  
 and fall on someone else's dick!

Tracy trips backwards -landing face first on Kenny's chest.

KENNY  
 Dammit, Tracy! Watch where you're  
 going!

Tracy pulls herself up -she looks unhappy to see Kenny.

TRACY  
 Kenny! So good to see you! I  
 thought you'd be training to get in  
 shape for your big photo shoot.

KENNY  
 I'm just feeling a little down, so  
 I decided I'd stop by. Maybe you  
 could cheer me up with -y'know...

Kenny whistles and makes a blowjob gesture.

TRACY  
 Ooh... I'm on a date tonight...

KENNY  
 A fer real date? Bullshit. With  
 who?

Tracy's date WALTER walks in. He is masculine, but overly-groomed.

WALTER  
 Order me a Smirnoff -I'll be right  
 over.

Walter heads to the bathroom.

TRACY  
 That's Walter. He's a model for  
 Men's Health magazine.

KENNY  
 So you're gonna blow some pretty  
 boy Men's Health fag instead of a  
 real athlete?

TRACY  
 He already took me to Red Lobster.  
 You always say this is an open  
 relationship!

KENNY

So you brought him here to rub it  
in my face?

TRACY

I didn't expect you'd be here  
tonight. We'll celebrate your  
magazine another day.

KENNY

But I'm TWICE the man he is!

Walter comes out of the bathroom and approaches.

WALTER

Everything alright?

TRACY

Everything's fine! C'mon, Walter -  
let's go somewhere else.

Tracy and Walter walk towards the door.

WALTER

(to Tracy)

Is it just me, or does that guy  
have breasts?

Kenny crushes his beer can and turns to get up from his stool  
-but Clegg grabs his wrist before he can get up.

CLEGG

Trust me dude, she is NOT worth it!

KENNY

I can totally take that pussy.

CLEGG

You want the cops in here?

Kenny pulls out his prescription bottle, and washes down a  
few pills with a shot.

KENNY

What's a guy gotta do to get a  
blowjob around here?

CLEGG

Maybe Walter will give you one!

Kenny gets up and walks towards the door.

CLEGG (CONT'D)

Kenny, wait! Where ya going?

KENNY

The GYM! I gotta blow off some  
steam SOMEHOW!

The door is stuck -Kenny struggles with it. Another bar  
patron walks over and easily opens the door, exits, then  
holds the door for him.

KENNY (CONT'D)

I can open my own door, asshole!

DISSOLVE TO:

INT. GARAGE - DAY

Stevie spots Kenny as he bench presses. He struggles and  
puts the weights down.

KENNY

FUCK! That's a whole set less than  
I did last week!

STEVIE

Just take a break. Your body  
doesn't bounce back as fast without  
the steroids.

KENNY

What are you saying? I'm not a  
REAL man? Fuck you! I'm Kenny  
Powers!

Kenny tries to do another bench press, but struggles as the  
weights fall against his chest, crushing him.

KENNY (CONT'D)

(choking)

Help!

Stevie easily lifts the barbell and puts it back on the bar.

STEVIE

You can't exercise your breasts  
away.

KENNY

You think I don't know that?

Kenny walks to the freezer and pulls out a gallon of  
chocolate ice cream. He sits on the floor and eats the ice  
cream out of the carton with a spoon.

STEVIE  
Are you okay?

KENNY  
(crying)  
Maybe I'm just over. Who am I  
kidding? I'm no champion. I  
should just cancel the interview.

STEVIE  
(also starts crying)  
Don't say that! We've worked so  
hard for this!

Kenny takes off his shirt. His breasts seem a little smaller than before.

KENNY  
Is this the body of a champion?!!

STEVIE  
They're not that big! I can't even  
tell!

KENNY  
Yeah fucking right! EVERYONE can  
tell.

STEVIE  
They'll go away! You still have  
the biggest balls in sports...

KENNY  
I can't even show my face at work  
anymore! I blew it with April, and  
now I'll have to watch her marry  
that pussy boy Cutler.

STEVIE  
All you gotta do is apologize! As  
long as she doesn't find out about  
your breasts, you'll be fine!

Kenny starts crying even harder and buries his face on Stevie's shoulder. Stevie looks a little too happy to be hugging Kenny.

STEVIE (CONT'D)  
There, there... I'm here for you.  
As your...  
(gulp)  
...Best friend.

Stevie snuggles against Kenny, but Kenny pushes him away.

KENNY  
(in a masculine voice)  
Now you're fucking pushing it.

DISSOLVE TO:

INT. AUDITORIUM - DAY

Kenny repairs the hole he punched in the set. April paints nearby.

KENNY  
Sorry I punched this thing. Guess  
I don't know my own strength-

APRIL  
-I'm the one that owes YOU an  
apology. We should maintain an  
atmosphere of professionalism in  
the workplace.

KENNY  
I've just been going through some  
weird stuff -

APRIL  
-What was I thinking? I shouldn't  
have been flirting with you! We  
already tried this... We're not  
eighteen anymore.

Kenny sighs and starts hammering in a nail.

APRIL (CONT'D)  
Besides, I'm engaged to Cutler, and-

Kenny swings the hammer -misses, and smashing his finger.

KENNY  
-MOTHER FUCKER!

APRIL  
Excuse me?

KENNY  
I broke my god damn nail!

Kenny starts crying.

APRIL  
Now you know what us women go  
through all the time.

KENNY  
I'm not a woman, April!

APRIL  
(laughs)  
The shop teacher didn't even flinch  
when he lost a whole finger last  
week.

KENNY  
(cries)  
It fucking hurts!

APRIL  
I'll get you a band-aid.

April rushes to her purse -and knocks an entire can of paint  
off a shelf and onto her blouse.

APRIL (CONT'D)  
Dammit!

April removes her blouse. She is wearing a sports bra  
underneath -her breasts seem smaller than usual.

KENNY  
HOLY SHIT! What happened to your  
tits?!

APRIL  
Excuse me?

KENNY  
I just remember them being so much  
bigger.

She brings the first aid kit over to Kenny and bandages his  
finger.

APRIL  
Do you want me to fix your finger  
or not?

KENNY  
Sorry. I was just curious as to  
why they look smaller.

APRIL  
You've never seen a sports bra  
before?

KENNY  
Sports bra, huh?

April finishes bandaging up Kenny's finger.

APRIL

I've got an extra shirt in the car.  
Can I borrow yours while I run out  
to get it?

Kenny hesitates.

APRIL (CONT'D)

I can't walk around in my bra!  
What if someone walks in on me?

KENNY

What if someone walks in on ME?  
I'll just get it for you.

APRIL

The lock has one of those voice  
recognition thingies.

KENNY

I'm sure we've got SOMETHING around  
here you can wear.

Kenny opens a closet and finds a bald eagle costume -the  
school's mascot. He holds it out for April.

KENNY (CONT'D)

How about this?

April glares at him.

DISSOLVE TO:

INT. DUSTIN AND CASSIE'S BEDROOM - DAY

Kenny sneaks into the room and starts rummaging through  
Cassie's underwear drawer. He pulls out a bunch of padded  
bras, gives them a frustrated look, and throws them aside.  
Cassie walk in.

CASSIE

Kenny?

KENNY

Jesus Christ! You scared the shit  
out of me!

CASSIE

What are you doing in my underwear  
drawer?

KENNY

I thought this was Dustin's. I'm looking for some... BOXERS! Mine are all dirty.

Cassie points to the other dresser.

CASSIE

That one.

KENNY

Oh, right. Thanks.

CASSIE

The Sports Illustrated people are downstairs waiting for you.

KENNY

I'll be right down.

CASSIE

Oh, and Kenny?

KENNY

Yeah?

CASSIE

Don't go through my underwear drawer ever again.

DISSOLVE TO:

INT. DUSTIN'S BACKYARD - DAY

MARK, the Sports Illustrated reporter talks with Kenny. A PHOTOGRAPHER and ASSISTANT are nearby.

KENNY

...so now that I've been sober for six months and training my ass off, I feel like I'm eighteen again!

MARK

You're like a phoenix, rising from the ashes!

ASSISTANT

This story is gonna get some real buzz behind you.

PHOTOGRAPHER

We just need a few shots of you with your shirt off, then we're done!

KENNY

I thought this was a legit sports magazine, not some pin-up rag.

ASSISTANT

We did some market research and found that a bare-chested athlete on the cover can boost sales by fifteen percent.

MARK

It works for Men's Health, why not us?

KENNY

No thanks.

MARK

I thought you were in the best shape of your life? Why wouldn't you want to show it off?

ASSISTANT

Maybe he's let himself go!

Everybody laughs. Mark tugs at Kenny's shirt. Kenny pushes his hand away.

KENNY

I'm a real man, not some pretty boy underwear model.

MARK

You kind of owe us, after all we're doing for you.

Mark tugs at Kenny's shirt again. Kenny pushes him away.

KENNY

I'm not some object for you to boss around!

MARK

Don't be such a prude!

Mark tugs at Kenny's shirt harder this time. Kenny punches him in the face.

MARK (CONT'D)

No means NO, asshole!

Kenny fights all three men, ripping his shirt in the scuffle - revealing that Kenny is wearing Cassie's sports bra underneath.

PHOTOGRAPHER

Looks like you're gonna be in the swimsuit edition!

The photographer points the camera at Kenny's chest -but Kenny punches it as he snap the photo, shattering the lens. The camera falls to the ground.

FADE OUT.

END OF ACT TWO

## ACT THREE

## EXT. DUSTIN'S PORCH - NIGHT

Kenny sits on the porch with Dustin, drinking beers. Kenny is still wearing Cassie's sports bra underneath his ripped shirt.

KENNY

Luckily I broke their camera just before they got their photo. Now it'll be their word against mine.

Kenny crumbles his beer can and throws it at a tree -his pitch is weak, and the can lands a few feet in front of him.

KENNY (CONT'D)

Guess I won't be leaving town after all. And now April hates me...

DUSTIN

If you want to be intimate with her, you have to be honest -and show her your flaws.

KENNY

You mean show her my tits? Yeah, right, that'll make her want to bang me.

DUSTIN

Life ain't all about sex. Look where lying has got you so far. Looks fade -even she'll have saggy tits some day. If she loves you, she'll see past it.

KENNY

What do you know about women? I've gotten way more pussy than you!

DUSTIN

I thought growing tits might teach you some humility. Guess I was wrong.

Dustin starts to head back inside.

DUSTIN (CONT'D)

You're lucky you stopped using steroids before they shrunk your pecker.

Kenny stops him.

KENNY

Maybe you're right -I shoulda been honest from the get go.

DUSTIN

'Course I'm right.

KENNY

I mean -Cassie loves YOU even though YOU'RE nobody special. I've got nobody.

Kenny gets inside his truck and puts on a new T-Shirt.

DUSTIN

Where ya goin'?

KENNY

April's!

DUSTIN

It's two in the morning!

KENNY

I won't be able to sleep until I get this off my chest.

Kenny takes off Cassie's sports bra and throws it to Dustin.

KENNY (CONT'D)

Sorry I stretched Cassie's bra -I guess my tits are too big for it!

Dustin glares at Kenny.

DISSOLVE TO:

EXT. APRIL'S HOUSE - NIGHT

Kenny rings the doorbell. No answer. He throws a rock at the window.

KENNY

April! Wake up, dammit!

April opens the door in her slip, half-asleep.

APRIL

It's two in the morning!

Kenny fights back tears.

APRIL (CONT'D)  
What's wrong?

KENNY  
Look... I'm not perfect, and even  
your tits are gonna sag some day-

APRIL  
What?!!

KENNY  
Just... LOOK!

Kenny pulls up his shirt to reveal his chest -everything is  
back to normal. Kenny seethes with anticipation.

APRIL  
Are you drunk?

KENNY  
I've grown a HUMONGOUS SET OF  
FUCKING HOOTERS! Can't you tell?

APRIL  
(teasing)  
You've always been a few pounds  
overweight.

KENNY  
So now you think I'm fat?

APRIL  
You look the same as always.

KENNY  
Guess the pills worked.

April gets close to Kenny and inspects his pupils.

APRIL  
What did you take?

KENNY  
Nothing! I just quit steroids, so  
my hormones are all out of whack.

APRIL  
Don't you know what that shit'll do  
to your body?

KENNY

Yeah, I grew tits! That's why I was too nervous to take my shirt off around you.

April laughs.

APRIL

THAT's why? I thought you were just being...  
(your usual asshole self)  
Kenny Powers. How did the interview go?

Kenny hangs his head in shame.

KENNY

I punched the photographer. Right in the fucking lens.

APRIL

Oh, Kenny...

April hugs him. He starts to cry.

KENNY

I'm sorry I blew it.

APRIL

Don't be sorry to me.

KENNY

But I thought this was... OUR ticket outta here. I was hoping you'd maybe come with me.

They lock eyes, then kiss. It quickly turns into a hot and heavy make-out session.

CUT TO:

INT. APRIL'S LIVING ROOM

April pulls Kenny inside and slams the door behind him.

APRIL

I've wanted this for so long!

She strips Kenny down to his underwear.

APRIL (CONT'D)

I know what always makes you feel better...

She exits the frame, heading south.

APRIL (O.S.) (CONT'D)  
HOLY SHIT!!! What happened to your balls?!!

KENNY  
Nothing!

APRIL  
I just remember them being so much bigger!

KENNY  
It's that fucking medicine! I've never had a problem getting it up before!

APRIL  
I guess we AREN'T eighteen anymore!

KENNY  
Maybe I just need more foreplay.

APRIL  
What??!

KENNY  
I dunno, maybe we should cuddle or some shit.

APRIL  
CUDDLE??!!

KENNY  
Will you rub my back?

Kenny presents his back to her. She reluctantly starts rubbing it.

KENNY (CONT'D)  
Oh yeah, right there -that'll do it. Mmmm!

Her eyes wander to a photo of her and Cutler.

APRIL  
This was a mistake.

Kenny turns around.

KENNY  
But it's working!

Kenny looks down at his crotch.

KENNY (CONT'D)  
I'm ready!

APRIL  
I'm engaged.

She puts her slip back on.

KENNY  
Come on! Don't leave me with blue balls.

APRIL  
Blue balls? They're more like... pink.

DISSOLVE TO:

INT. MIDDLE SCHOOL - DAY

Kenny drags himself into the school. He sees CUTLER enter the building with April.

CUTLER  
Kenny! Guess who placed eleventh in the Vegas triathlon?

KENNY  
Good for you, Cutler.

CUTLER  
I feel like such a MAN! This must have been how YOU felt when you won the World Series!

Cutler laughs innocently and pounds his chest like an ape.

KENNY  
We won the World Series because we were the best in the WORLD.

CUTLER  
But you didn't actually PLAY the entire world, right?

Kenny glares at Cutler.

APRIL  
Are you coming to the opening tomorrow? The students have been working really hard.

KENNY

I'm not really into that faerie  
shit.

CUTLER

It's such a tragic story. I hate  
how that jerk Paris is always in  
the way!

KENNY

Fucking heartbreaking.

Kenny shoots April a defeated look. She frowns.

CUTLER

It's so sad that he poisons himself  
when he can't be with her.

A bunch of kids point and laugh at Kenny from across the  
hall. They are holding a magazine.

KENNY

What are you laughing at, you  
little fuckers?

Kenny grabs the magazine from their hands. The kids scatter.

It's the latest issue of Sports Illustrated. Kenny is on the  
cover, wearing Cassie's sports bra. The photo was taken a  
split second before Kenny's fist hit the lens.

The headline reads, "Kenny Powers - Half The Man He Used to  
Be".

CUTLER

Wow -you made the cover!

Off Kenny's red face, we:

FADE TO BLACK.

END OF EPISODE
